

Don Marks Memorial Fellowship Fundraising Challenge

Don Marks led a life of generosity and service; it is in this spirit that we are pleased to announce the Don Marks Memorial Fellowship Fundraising Challenge. The Don Marks Memorial Fellowship will seek to honor Don's legacy awarding an undergraduate or master's student seeking a builder's "hands on" career in the concrete construction industry. This fellowship will be administered through the ACI Foundation Scholarship Council.

Fundraising will be a joint effort between the ACI Foundation and ASCC. Dan Baker and Tommy Ruttura have made a challenge gift of \$150,000 contingent upon the industry raising another \$150,000. The commitment and generosity of members like yourself can ensure the success and distribution of the Don Marks Memorial Fellowship for years to come.

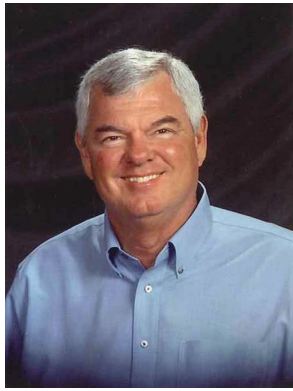

*Every dollar raised up to \$150,000
is matched and directly funds the
Don Marks Memorial Fellowship.*

Please consider supporting the future of concrete construction by donating to the Don Marks Memorial Fellowship. If you wish to donate, please contact Scholarship Liaison Donna Halstead at Donna.Halstead@concrete.org or see the back page for details.
