Make sure you sign, date, and submit the following Condensed Statement of Antitrust Compliance Form with your registration.

CONDENSED STATEMENT OF ANTITRUST COMPLIANCE

The ACI Foundation's Strategic Development Council (SDC) fully supports the policy of competition served by Federal antitrust laws, and requires strict compliance with these laws by all Participants and their representatives. Participants may be commercial competitors, and while it is entirely appropriate for them to meet to discuss common problems and areas of interest, it must be kept in mind that any action taken to eliminate, restrict, or govern competition among Participants would be a violation of antitrust laws. In support of its antitrust policy, SDC makes the following requests of all at this meeting:

1. Every attendee must be familiar with the provisions of the *SDC Antitrust and Intellectual Property Compliance Policy and Guidelines*, copies of which are available on SDC's website, www.concretesdc.org. Copies will also be available at the meeting. Your registration, which is required for participation in this meeting, will indicate that you have reviewed, understand, and will comply with this policy.
2. Permission of the Chair is required before any matters of business outside the approved agenda are discussed.
3. In this meeting, or in informal conversations by members of this group outside this meeting, there can be no discussion about pricing methods, costs, volume or conditions of production or sale, allocation of territories or customers, or any other subject which might be construed as limiting any person or business from free access to any market, customer, technology, or source of supply.

PARTICIPANT CERTIFICATE

I have read the Condensed Statement of Antitrust Compliance, above, and will be familiar with the provisions of the *SDC Antitrust and Intellectual Property Compliance Policy* by the time of the meeting and, as a condition of attendance, will sign this document attesting that I have not and will not engage, nor have I permitted nor will permit those over whom I have responsibility to engage, in any conduct or behavior contrary to the policy and guidelines stated in those documents.
